Date of Birth	*04 March 2003*
Nationality	*Malaysian Chinese*
Raised in	*Sarawak, Malaysia*
Resident in	*Selangor, Malaysia*
Status	*Fresh Graduate*

Architecture was a new frontier for me when I began my studies at SEGi University, but it has quickly become my primary focus and passion.

This 'newness' fuels my creative energy; I approach every project with a beginner's curiosity paired with a professional's dedication.

I am a highly motivated fresh graduate looking to bring my adaptive learning style and fresh design outlook to a forward-thinking architectural firm.
